* This session is dedicated to our friend and colleague, Marcus Motzkus who has left us far too soon. He has contributed a lot to our scientific community.

** This session has been inserted in the program after COVID-19 outbreak has touched everybody, every country, every institution, and every event including our ECONOS 2020. Session description

*** The Abstract submission and registration have been reopened after assigning the new date of ECONOS 2020/2021. The final program will be published in August 2021.
